CM 12

Category:

Cast Mouldings

Description:

Winterstone mouldings and sills are a hand made concrete product, this product is hard wearing and has been in use since our beginning. Our mouldings that we produce have stood the test of time, with a large majority of restoration work in the inner city relying on the use of mouldings that are manufactured to last. Our concrete mouldings and sills are made with steel reinforcing in them, and can be produced pre drilled for easier installation.
